

# Vote **Yes** on June 8 for Maine Jobs.

On **June 8** you have a chance to move Maine forward to a brighter day. More jobs. Smarter energy. A healthier economy. Better use of our natural resources. There are four bond issues on the ballot that are critical to Maine's success. We can afford to commit these funds. We can't afford NOT to!

## Question #2 – Energy Jobs

**\$26,500,000** for offshore wind, green jobs and energy savings at our public colleges and universities. Leverages \$24.5 million in federal funds.

## Question #3 – Transportation Jobs

**\$47,800,000** to create jobs by improving Maine's highways, railroads and marine facilities.

## Question #4 – Jobs Across Maine

**\$23,750,000** to stimulate economic development by investing in R&D, fishing, agriculture, dairy, lumbering and redeveloping Brunswick Naval Air Station. \$39 million in matching funds.

## Question #5 – Environmental Jobs

**\$10,250,000** for improved drinking water quality and to protect the environment. Leverages \$33,250,000 in federal and other funds.
